Road Safety Awareness Drive

GDC Tangmarg in Collaboration with Police Station Tangmarg

On November 7, 2024, Government Degree College (GDC) Tangmarg, in collaboration with Police Station Tangmarg, conducted a Road Safety Awareness Program aimed at promoting safer road practices within the local community. This initiative was led by the college's Road Safety Club in partnership with the NSS wing, underscoring their shared commitment to public welfare and community service.

During the drive, students and police personnel engaged in an outreach effort to educate drivers about critical road safety regulations. Key areas of focus included the importance of wearing seat belts, adhering to traffic signals, and maintaining appropriate driving speeds. Students held placards displaying various traffic rules and warning signs, which served as visual reminders for passersby and drivers alike. The participation of young learners added enthusiasm and effectiveness to the initiative, fostering a collaborative atmosphere between law enforcement and the community.

A highlight of the program was the interaction between the Station House Officer and the students, where he discussed the significance of individual responsibility in ensuring road safety. His insights reinforced the practical importance of adhering to traffic rules and regulations.

The faculty members who actively supported and contributed to the event included Prof. Mohd Arif, Mr. Syed Arshad, and Mr. Zahid Shareef (PTI). Their presence underscored the college's commitment to holistic education, extending beyond academics to encompass civic awareness and responsibility.

Overall, the program was a resounding success, drawing attention to road safety issues within the community and emphasizing the collaborative efforts of Principal GDC Tangmarg Prof Dr Irfan Ul Majid and Local police station.
